LET'S PROTECT EACH OTHER

Our healthcare measurements

Faced with the unprecedented situation of the health crisis, the team of the Intercommunal Tourist Office Lacs et Gorges du Verdon puts in place a number of measurements to guarantee the safety of its visitors.

We

- ✓ Plexiglas separation
- ✓ Wearing a mask and protective face shield
- ✓ Frequent hand cleaning
- ✓ Regular cleaning and disinfection of the premises with particular attention to contact points (handles, counters, etc.)
- ✓ Distribution of documentation only on request

You

- ✓ Hand cleaning with the hydro-alcoholic solution available at the entrance
- ✓ Only 1 person per request (as far as possible)
- ✓ Mask wearing recommended

Together

- ✓ Compliance with physical distance measurements
- ✓ Quality contact for essential information

STOP COVID-19

Together, let's do everything we can to reduce the spread of Coronavirus!
