

OUR SUSTAINABLE DEVELOPMENT COMMITMENTS

The Intercommunal Tourist Office Lacs et Gorges du Verdon and its Tourist Information Centres of: Aiguines, Aups, Bauduen, La Martre, Les Salles-sur-Verdon, Régusse, Tourtour et Villecroze, are committed to the Qualité Tourisme™ brand's approach.

Concerned about preserving this exceptional authentic territory, we wish to contribute to its sustainable and reasoned development.

Therefore, we commit ourselves to:

- Give priority in our actions to the protection of the environment by:
 - o Sorting what can be sorted;
 - o Saving what can be saved;
 - o Fighting against waste;
 - o Reusing what can be reused;
 - o Rethinking our trips and encouraging carpooling;
 - o Printing in a reasonable manner, on demand, on eco-responsible paper;
 - o Promoting actions, events and socio-professionals involved in sustainable development approach;

- Promote a gentle tourism, respectful of its territory, its resources and concerned about the preservation of its environment.
